

**TOYOTA**

2024 Tundra

2024 TUNDRA

# Tough today. Tough tomorrow.

The 2024 Toyota Tundra pairs remarkably rugged capability with premium comfort and advanced technology to fuel your every adventure. With the intensity of its twin-turbo engine and exceptional towing power,<sup>1</sup> it's ready to work hard and play even harder.

Limited CrewMax shown in Supersonic Red (extra-cost color) with max towing capacity of 11,170 lbs. Prototype shown with options, production model may vary. Never tow beyond a vehicle's published towing capacities. See Owner's Manual for limitations.

Limited CrewMax shown in Magnetic Gray Metallic.

Limited CrewMax interior shown in Boulder.

PERFORMANCE

# Turbocharged muscle.

Tundra's modern muscle delivers exceptional power without sacrificing efficiency. Equipped to go the extra mile, this full-size pickup has up to an EPA-estimated 22 combined mpg rating.<sup>2</sup> The moment you step on the gas, you're ready for action. And you can keep on driving with confidence, knowing this truck was built with the quality, durability and reliability Toyota is recognized for.

i-FORCE twin-turbo V6 engine

The power at the heart of Tundra. Tundra's i-FORCE twin-turbo V6 engine delivers up to 389 horsepower and 479 lb.-ft. of torque. And its 10-speed automatic transmission helps you harness more power when climbing a muddy hill, towing a trailer, or cruising on the freeway.

## Electrified i-FORCE MAX powertrain

Tundra's available i-FORCE MAX engine applies hybrid tech for more performance. By pairing the twin-turbo V6 with an electric motor, this hybrid engine generates an electrifying 437 horsepower with an amazing 583 lb.-ft. of torque. And the unique placement of the electric motor between the engine and transmission allows power to be transferred efficiently, without any lag. Charging up the trail or merging onto the freeway — the second you feel the instantaneous torque across the powerband, you're ready to keep the adventure going.

Limited CrewMax shown in Magnetic Gray Metallic with max towing capacity of 11,120 lbs. Never tow beyond a vehicle's published towing capacities. See Owner's Manual for limitations.

## Max towing of up to 12,000 lbs.

Its powertrain, frame and suspension work together to give Tundra an available max towing capacity of up to 12,000 lbs! Whether you're towing your trailer for a weekend getaway or taking the ATVs out for a spin in the desert, Tundra helps you haul with confidence.

See numbered footnotes in Disclosures section.

CAPABILITY

# Hauling heavyweight.

Enjoy the power of a premium towing machine. Tundra makes accessing new destinations with all your gear easier than ever. Its available Adaptive Variable Suspension and Load-leveling Rear Height Control Air Suspension equip you with the capability you need to tow with confidence while always looking out for rough roads ahead.

## Crawl Control

Available on TRD Pro and 4x4 TRD Off-Road Packages, Tundra's next-generation Crawl Control (CRAWL) system helps you smoothly and quietly take on tough terrain. With the simple press of a button, this advanced system automatically modulates the throttle and brakes on five low-speed settings, so you can keep your focus on navigating across difficult terrain.

## Multi-Terrain Select

When you're in the thick of it, this available system helps regulate wheelspin by automatically adjusting the engine throttle and traction control. In 4x4 low or high range, a quick turn of the dial toggles between terrain modes: Mud, Sand, Rock, Mogul (i-FORCE only) or Auto (i-FORCE MAX only).

## Electronically locking rear differential

Tundra's available electronically controlled locking rear differential for TRD Pro and 4x4 TRD Off-Road Packages evenly distributes engine power to both rear wheels. Once the system is engaged, both rear wheels move at the same speed and provide more grip in low-traction conditions.

Available 14-in. Toyota Audio Multimedia system touchscreen. Screen depiction accurate at time of posting.

Never tow beyond a vehicle's published towing capacities.

## 14-in. Toyota Audio Multimedia touchscreen

Get a better view of what's around you on Tundra's impressive available 14-in. Toyota Audio Multimedia touchscreen. Synced up to multiple cameras placed on the front, rear and sides of Tundra, the large interactive display lets you choose different views. And with the available Multi-Terrain Monitor<sup>5</sup> activated, you can check your immediate surroundings for obstacles as you take on tricky terrain.

## TECHNOLOGY

# Built for high-tech treks.

Outfitted with the latest Toyota tech, Tundra features a Human Machine Interface (HMI). This advanced system uses Tundra's available 14-in. multimedia touchscreen to heighten your interaction through sight, touch and voice activation — helping you stay connected to every adventure.

## Panoramic View Monitor

Tundra's available Panoramic View Monitor (PVM)<sup>6</sup> uses cameras on the front, sides and rear of the truck to give you a better view of what's going on outside.

## Trailer Backup Guide with Straight Path Assist

Using sensors and cameras, Tundra's available driver assistance technology helps keep your trailer in a straight line as you back up.<sup>7</sup>

## Blind Spot Monitor with Rear Cross-Traffic Alert

Tundra's available Blind Spot Monitor (BSM)<sup>8</sup> is designed to warn you when a vehicle in the next lane enters your blind spot on either side of the truck. When the system detects a trailer is being towed, the BSM extends the area of detection and alert in consideration of the trailer. And when you're reversing out of a tight spot, available Rear Cross-Traffic Alert (RCTA)<sup>10</sup> helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone. Altogether, Tundra's advanced driver assistance features help bring added peace of mind to every journey.

See numbered footnotes in Disclosures section.

# Optimized for adventure.

With a backbone as tough as Tundra's, this advanced body-on-frame hauler is always up for the challenge.

## Fully boxed steel frame and multi-link rear suspension

Tundra's fully boxed, high-strength steel ladder frame provides enhanced rigidity, capability and driving comfort. The wide rear frame member improves stability and towing capability, while the double-size frame cross members provide extra reinforcement, making this Tundra one of the most durable body-on-frame haulers to come off our Texas assembly line. A modern suspension to match its modern fully boxed frame, Tundra's multi-link rear suspension delivers ride comfort, straight-line stability and overall handling dynamics on the road, trail and everywhere in between. And with this coil-spring suspension, Tundra can deliver exceptional towing performance.

## Ultra-durable composite bed

Tundra's aluminum-reinforced bed is composed of an ultra-durable Sheet-Molded Composite (SMC) surface. This strong and resilient bed boasts a greater impact strength than aluminum and acts as a shield against dents, impact dings and rust. Even with its max payload of 1940 lbs.<sup>37</sup> loaded in the back, this rugged, high-tech bed offers added protection to help keep your Tundra looking good for years to come.

Platinum CrewMax Long Bed shown in Blueprint. Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area. Payload includes the weight of occupants, cargo and options; limited by weight distribution.

1794 Edition CrewMax interior shown in Rich Cream.

## INTERIOR

# A first-class cabin.

Tundra's premium interior offers leather-trimmed and soft-touch materials throughout, plenty of room for friends or gear, and a driver's seat that fits like a glove.

### Premium leather-trimmed seats

Bring maximum comfort to wild rides. Tundra's available premium leather-trimmed seats are designed with a wide shoulder to give you more support. And for an even bolder look, TRD Pro offers an available Cockpit Red SofTex®<sup>46</sup> trim.

### Heated and ventilated seats

Warm up on your way up the mountain. Cool down when you're under the desert sun. No matter the climate, Tundra's available heated and ventilated front and rear seats help you wander in total comfort.

### Rear-seat storage

Tundra's versatile rear seats flip and fold — helping you make space for more gear.<sup>11</sup> And on certain models, Tundra's rear seats flip up for added storage underneath. Thoughtfully designed, this cabin is ready for your next big trip.

### Power vertical rear window

A signature Toyota feature. Tundra CrewMax features a standard rear glass window that raises and fully lowers with the push of a button. When you're camped on the trail, this handy feature optimizes airflow inside the cabin — and gives your four-legged friend a better view.

EXTERIOR

# Off-road beast with upscale shine.

From the ground up, Tundra's design pays homage to Toyota's legendary adventurous look. Bold lines, bulging fenders and a powerful front grille hint at the capability that lives under the sheet metal and show onlookers that this truck can handle the toughest demands.

TRD Pro CrewMax shown in Terra. Off-roading is inherently dangerous. Abusive use may result in personal injury or vehicle damage.

## Premium LED headlights

High-performance, efficient LED headlights give Tundra a striking look. And these fully LED headlights offer available dynamic sequential turn signals, Daytime Running Lights (DRL) and LED low and high beams, for better visibility. In addition to Tundra's standard manual-leveling headlights, its available auto-leveling headlights stay level to help with safe towing and hauling — without any input from the driver.

## Distinct Platinum and 1794 Edition styling

Right off the bat, Tundra's thick bumper interlocks with its brawny grille to create a strong, visceral image. Platinum's bold grille — featuring dark chrome-finished accents — sends a powerful message that this truck is a premium recreation machine. And with a modern Western design, 1794 Edition's bright chrome-finished grille lets everyone know this rugged rig rides in a league of its own.

## Available SX Package

Get more bang for your truck — customize your vehicle to be as bold as you, with Tundra's SX Package. Dress up your Tundra with stunning dark gray metallic 18-in. wheels and black body-color trim, including on the outer door handles and the rear inboard bumper. Similar styling can be found inside the cabin, as black accents replace silver-colored trim.

This image and right: TRD Pro CrewMax shown in Ice Cap. Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area.

### TRD Pro

Built for the great outdoors. TRD Pro's BBS<sup>®12</sup> forged wheels come wrapped in Falken<sup>®13</sup> WILDPEAK all-terrain tires. A high-strength aluminum TRD Pro skid plate helps protect this beast's underbelly. And for enhanced off-road performance, TRD Pro's suspension features rugged FOX<sup>®14</sup> shocks.

### TRD Off-Road suspension

Delivering consistent performance when the going gets rough, TRD Off-Road's Bilstein<sup>®15</sup> shocks help steady the course. And its unique 18-in. alloy wheels come wrapped in Falken<sup>®13</sup> WILDPEAK all-terrain tires to help you take on rock, dirt and mud — without losing your grip. TRD Off-Road Package is available on SR5, Limited, Platinum and 1794 Edition.

### TRD Sport 20-in. wheels

Strong and lightweight, 20-in. TRD Sport alloy wheels with a matte-black finish give this rugged rig a magnetic look on wild terrain. And the TRD Sport Package also comes with a sport-tuned and lowered suspension equipped with Bilstein<sup>®15</sup> shocks to optimize driving dynamics. TRD Sport Package available on SR5.

See numbered footnotes in Disclosures section.

## TRD FAMILY

# The total package.

Designed to make your outdoor adventures even greater, the team at Toyota Racing Development (TRD) has built on Tundra's pedigree of toughness.

Whether it's with the TRD Off-Road Package, TRD Sport Package or TRD Pro grade, you'll be ready for the trail with the unique performance, capability and styling enhancements that each package provides. TRD Off-Road Package available on SR5, Limited, Platinum and 1794 Edition. TRD Sport Package available on SR5.

SR5 Double Cab shown in Lunar Rock.

# Amplify your drive.

Enhance every drive with an experience that's all about you. Whether enjoying the sounds of your favorite soundtrack or interacting with an interface that you're familiar with, you'll always be surrounded by comfort.

Platinum CrewMax interior shown in Black with available 14-in. multimedia display. Screen depictions accurate at time of posting.

## JBL® Premium Audio System

Immerse yourself in quality sound with Tundra's available JBL®<sup>16</sup> Premium Audio system. A 12-speaker audio system equipped with a subwoofer, it provides phenomenal sound that amplifies every drive.

## Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™<sup>19</sup> phone with the audio multimedia system, Android Auto™<sup>20</sup> lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

## Wireless Apple CarPlay®

Bring along a familiar face. With Tundra's wireless Apple CarPlay®<sup>17</sup> compatibility, you can use your compatible iPhone®<sup>18</sup> with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

## SiriusXM® Platinum Plan 3-month trial

With a SiriusXM®<sup>21</sup> 3-month Platinum Plan trial<sup>22</sup> you get 425+ channels, including 165+ channels in your vehicle, to listen to ad-free music, plus sports, news, comedy and more. Innovative features in the Tundra make it even easier to search, discover and listen than ever before, through personalized channel recommendations curated just "For You." Plus, the Live Sports category puts all your games and teams in one place, for easy access.

# Technology that keeps up with you.

Take advantage of smarter and convenient technologies designed to simplify your everyday life.<sup>23</sup>

Trial periods available on select models for the listed Connected Services.\* 4G network dependent.

## Safety Connect®

Round-the-clock help when the unexpected happens<sup>24</sup>

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance<sup>25</sup>
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator<sup>26</sup>

## Service Connect

Being proactive to help keep your vehicle in peak condition<sup>27</sup>

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

\*To view included trial details, please visit [toyota.com/connected-services](http://toyota.com/connected-services).

## Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity.<sup>28</sup>

- ✓ AT&T Hotspot
- ✓ Integrated Streaming
  - Apple Music<sup>29</sup> (separate subscription required)
  - Amazon Music<sup>30</sup> (separate subscription required)

## Drive Connect

Enhanced features to get you where you need to be.<sup>31</sup> (SR- and SR5-capable; subscription required)

- ✓ Destination Assist<sup>32,70</sup>
- ✓ Intelligent Assistant<sup>33</sup>
- ✓ Cloud Navigation<sup>34</sup>

## Remote Connect

Manage your vehicle, including remote start and much more.<sup>35</sup>

- ✓ Remote Vehicle Start (if equipped)
- ✓ Unlock/Lock
- ✓ Remote Notifications
- ✓ Guest Driver
- ✓ Smartwatch Compatibility

TOYOTA SAFETY SENSE™ 2.5 (TSS 2.5)

# Peace of mind comes standard.

Toyota Safety Sense™ 2.5 (TSS 2.5)<sup>38</sup> is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS 2.5's comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

-  Pre-Collision System with Pedestrian Detection<sup>39</sup>
-  Full-Speed Range Dynamic Radar Cruise Control<sup>40</sup>
-  Lane Departure Alert with Steering Assist<sup>41</sup>
-  Lane Tracing Assist<sup>42</sup>
-  Automatic High Beams<sup>43</sup>
-  Road Sign Assist<sup>44</sup>

- ✓ Electronically controlled locking rear differential
- ✓ Multi-Terrain Select (MTS), Crawl Control (CRAWL),<sup>4</sup> and Downhill Assist Control (DAC)<sup>48</sup>
- ✓ TRD Pro off-road suspension with 1.1-in. front lift and 2.5-in. FOX<sup>®14</sup> Internal Bypass shocks<sup>3</sup>

#### Exterior Features

- ✓ 18-in. forged-aluminum BBS<sup>®12</sup> wheels with P285/65R18 Falken<sup>®13</sup> WILDPEAK all-terrain tires
- ✓ Heritage-inspired "TOYOTA" grille with LED light bar
- ✓ LED marker lights
- ✓ TRD aluminum front skid plate and Xply<sup>™</sup> Armor high-strength engine, fuel tank and transfer case undercovers
- ✓ Power tilt/slide panoramic roof with power sunshade

#### Interior Features

- ✓ 12-speaker JBL<sup>®16</sup> Premium Audio
- ✓ 12.3-in. digital meter
- ✓ TRD Pro SofTex<sup>®</sup>-trimmed<sup>46</sup> seats with contrast stitching and "technical camo" pattern inserts; 8-way power-adjustable front seats with 2-way power-adjustable lumbar support

#### Audio Multimedia

- ✓ 14-in. Toyota Audio Multimedia touchscreen with wireless Apple CarPlay<sup>®17</sup> & Android Auto<sup>™20</sup> compatibility, and SiriusXM<sup>®21</sup> with 3-month Platinum Plan trial subscription<sup>22</sup>

#### Connected Services

- ✓ Safety Connect<sup>®</sup> with up to 10-year trial.<sup>24</sup>  
4G network dependent.
- ✓ Remote Connect-capable;<sup>35</sup> subscription required; select features only. 4G network dependent.
- ✓ Drive Connect-capable;<sup>31</sup> subscription required. 4G network dependent.
- ✓ Service Connect with up to 10-year trial.<sup>27</sup>  
4G network dependent.
- ✓ Wi-Fi Connect with up to 3 GB within 30-day trial.<sup>28</sup>  
4G network dependent.

#### Safety/Convenience

- ✓ Toyota Safety Sense<sup>™</sup> 2.5 (TSS 2.5)<sup>38</sup> includes:
  - Pre-Collision System with Pedestrian Detection (PCS w/PD)<sup>39</sup>
  - Full-Speed Range Dynamic Radar Cruise Control (DRCC)<sup>40</sup>
  - Lane Departure Alert with Steering Assist (LDA w/SA)<sup>41</sup>
  - Lane Tracing Assist (LTA)<sup>42</sup>
  - Automatic High Beams (AHB)<sup>43</sup>
  - Road Sign Assist (RSA)<sup>44</sup>

- ✓ Blind Spot Monitor (BSM)<sup>8</sup>
- ✓ Multi-Terrain Monitor (MTM)<sup>5</sup>

#### Options and Packages

- ✓ Tow mirrors

## TUNDRA MODELS

### Capstone

Available in CrewMax

#### Mechanical Features

- ✓ i-FORCE MAX 3.4-Liter Twin-Turbo V6 Hybrid  
- 437 hp @ 5200 rpm; 583 lb.-ft. @ 2400 rpm
- ✓ 19 city/22 highway/21 combined est. mpg rating (4x4 Hybrid)<sup>45</sup>
- ✓ 10-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)
- ✓ 4WDemand part-time 4WD

#### Exterior Features

- ✓ 22-in. chrome- and machined-finish alloy wheels
- ✓ Premium LED headlights with chrome trim, LED Daytime Running Lights (DRL), sequential turn signals, auto on/off feature, and automatic leveling adjustment
- ✓ Power tilt/slide panoramic roof with power sunshade
- ✓ Power running boards and BedStep<sup>®49</sup>

**WARRANTIES**

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Hybrid-Related Component Coverage:** Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

**Hybrid Battery:** HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

## DISCLOSURES

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. 2. EPA-estimated 18 city/24 highway/20 combined mpg rating for 2024 Tundra SR 4x2; EPA-estimated 18 city/23 highway/20 combined mpg rating for 2024 Tundra SR5, Limited, Platinum and 1794 Edition 4x2; EPA-estimated 17 city/23 highway/19 combined mpg rating for 2024 Tundra SR 4x4; EPA-estimated 17 city/22 highway/19 combined mpg rating for 2024 Tundra SR5, Limited, Platinum and 1794 Edition 4x4. EPA-estimated 20 city/24 highway/22 combined mpg rating for 2024 Tundra Limited 4x2 Hybrid, Platinum 4x2 Hybrid and 1794 Edition 4x2 Hybrid; EPA-estimated 19 city/22 highway/21 combined mpg rating for 2024 Tundra Limited 4x4 Hybrid, Platinum 4x4 Hybrid, 1794 Edition 4x4 Hybrid and Capstone 4x4 Hybrid; EPA-estimated 18 city/20 highway/19 combined mpg rating for 2024 Tundra TRD Pro 4x4 Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). 3. The Toyota Tundra is designed to meet most off-road driving requirements, but off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. 4. Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. 5. The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See *Owner's Manual* for additional limitations and details. 6. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 7. The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations. 8. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. 9. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for additional limitations and details. 10. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. 11. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 12. BBS® is a registered trademark of BBS of America, Inc. 13. Falken is a registered trademark of Sumitomo Rubber Industries, Ltd. 14. FOX is a registered trademark of FOX Factory, Inc. 15. Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. 16. JBL® is a registered trademark of Harman International Industries, Inc. 17. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 18. iPhone® is a registered trademark of Apple Inc. All rights reserved. 19. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. 20. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at <https://www.android.com/auto/compatibility/>. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 21. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit [www.siriusxm.com](http://www.siriusxm.com) to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 22. SiriusXM® services require a subscription after trial period. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). 23. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Connected Services trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 24. Safety Connect® depends on factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. If subscription includes Automatic Collision Notification, it will activate only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. The Safety Connect, trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. 25. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions. 26. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 27. Service Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect®, Remote Connect or Destination Assist connected service renewal is selected. 28. Service not available everywhere or in every vehicle. Depends on cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Select models include Integrated Streaming capability, which requires a separate subscription to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. Terms of Use apply. 29. Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. 30. Amazon, Amazon Music, and related marks are trademarks of Amazon.com, Inc., or its affiliates. 31. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. 32. Destination Assist requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 33. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 34. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. 35. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Services subject to change at any time without notice. Bluetooth® connectivity is required if your subscription includes Digital Key capability. Remote start/stop only available on select models. See your Toyota dealer for details. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/>. To learn about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.

## DISCLOSURES

**36.** Digital Key function requires Remote Connect trial or subscription. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and at <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>.

**37.** Payload includes the weight of occupants, cargo and options and is limited by weight distribution.

**38.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.

**39.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and road conditions. See *Owner's Manual* for limitations.

**40.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.

**41.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.

**42.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for limitations.

**43.** Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instruction and limitations.

**44.** Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.

**45.** EPA-estimated 18 city/24 highway/20 combined mpg rating for 2024 Tundra SR 4x2; EPA-estimated 18 city/23 highway/20 combined mpg rating for 2024 Tundra SR5, Limited, Platinum and 1794 Edition 4x2; EPA-estimated 17 city/23 highway/19 combined mpg rating for 2024 Tundra SR 4x4; EPA-estimated 17 city/22 highway/19 combined mpg rating for 2024 Tundra SR5, Limited, Platinum and 1794 Edition 4x4. EPA-estimated 20 city/24 highway/22 combined mpg rating for 2024 Tundra Limited 4x2 Hybrid, Platinum 4x2 Hybrid and 1794 Edition 4x2 Hybrid; EPA-estimated 19 city/22 highway/21 combined mpg rating for 2024 Tundra Limited 4x4 Hybrid, Platinum 4x4 Hybrid, 1794 Edition 4x4 Hybrid and Capstone 4x4 Hybrid; EPA-estimated 18 city/20 highway/19 combined mpg rating for 2024 Tundra TRD Pro 4x4 Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov).

**46.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc.

**47.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation.

**48.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See *Owner's Manual* for additional limitations and details.

**49.** BedStep® is a registered trademark of AMP Research. All rights reserved.

**50.** Extra-cost color.

**51.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

**52.** Standard on Limited, Platinum, 1794 Edition and TRD Pro grades; available on SR and SR5 grades.

**53.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details.

**54.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. System functionality and accuracy of information depends on many factors. Use common sense when relying on information provided. Services and programming subject to change. Updates may be at an additional cost. See *Owner's Manual* for limitations.

**55.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.

**56.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.

**57.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.

**58.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products.

**59.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner.

**60.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.

**61.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.

**62.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations.

**63.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions.

**64.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.

**65.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.

**66.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.

**67.** Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.

**68.** Toyota app requires an active Remote Connect trial or subscription.

**69.** Depending on exterior color.

**70.** The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.

**71.** Before towing, confirm Stop and Start Engine System is disengaged (V6 gas models only).

**72.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations.

**73.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details.

**74.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.

**75.** Available on all 4x4 CrewMax and Double Cab grades except: TRD Pro, Capstone and TRD Sport, and/or those equipped with air suspension or Adaptive Variable Suspension (AVS).

**76.** The Toyota Genuine Accessory Warranty only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.

**77.** The Toyota Tundra lift kit is designed to be compatible with the safety features of Toyota Safety Sense™ including forward collision mitigation. Use of a non-genuine Toyota lift kit may result in some incompatibility and/or degraded performance of the features that rely on the Toyota Safety Sense™ sensors.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

Toyota Tundra is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
